

# BRAM BEIRENS

## WHY ME?

I'm a motivated student business administration with an IT background. Computers were one of my main interests since I was a kid. I am straightforward and can pitch my ideas with others, enjoy working together with creative and open-minded people. I like to be challenged from time to time.

Always in for coffee. And a job!

## WORK EXPERIENCE

2017

### GLOBAL DATA MANAGEMENT ERIKS

During the summer I aided the department hoses and flaskets to create insights in their catalog, help build out a framework for quizzing trainees, assisted the budgeting team with Excel Macro's and built an entire application in Angular 4 and Node.js in order to follow up with the sales targets.

📍 Opwijk, BE

2016

### WEB DEVELOPER CUMULIO

During my internship and summer job at Cumul.io I helped expand their platform while learning Node.js and AngularJS. I provided a solution to import data from Salesforce and Teamleader and pivot that data in order to create useful insight.

📍 Leuven, BE

2014 - 2015

### JUNIOR ACCOUNTANT BKCP

During my studies I helped the accountancy team of BKCP at the end of every financial quarter. The different entities in their financial reports had be consolidated in order to be able report to the headquarters in France. Most work was done using Excel, combining data from a database and their banking software.

📍 Brussels, BE

2011 - PRESENT

### SWIMMING INSTRUCTOR VZW ORKAS

Every week I instruct a group of youngsters during which I teach them new swimming techniques and train their endurance.

📍 Dilbeek, BE

## EDUCATION

2017 - PRESENT

### BUSINESS ADMINISTRATION MASTER'S DEGREE

After the bridging programme, I'm currently in my Masters Business Administration majoring in Business Information Management.

• Student representative at Studentenraad Odisee & KU Leuven
